

CARGO FORUM DAY 2018

SCOPE TST East Learning Centre

16 January 2018 (Tuesday)

Vision 2020 New Security and Safety Commercial Impact on Aviation Industry

Supply Chain Security Association (SCSA) is holding an Air Cargo Security Forum on 16 January 2018 in Hong Kong.

The one-day forum serves as a platform to promote the work supply chain stakeholders and practitioners in pursuance for Air Cargo Supply Chain Safety and Security. The forum will address the phasing out of consignors not subject to approval by appropriate authority by ICAO, also the emerging concerns for transportation of lithium batteries by air as E-commerce growing at a double-digit rate.

Your support and participation are of paramount significance. We look forward to have you at the forum.
